

# INSIDE STORIES

by Duet Design Group

## INSIDE STORIES

Inside Stories is an award-winning design firm that takes an innovative approach to the design process by leveraging the best of big and small firms. By embracing process-oriented design methodologies, we are able to deliver exceptional interior design services both on time and within budget. At Inside Stories, our designers use their clients' style and story as inspiration and partner closely with them, to create unique solutions that will make any space feel uniquely theirs.

While Inside Stories delivers a customizable design service with greater flexibility to meet our clients' budgets and timing requirements, our sister company, Duet Design Group, is a full-service luxury design firm specializing in more extensive projects such as custom homes, multi-family and commercial projects, with each project led by one of our two principals.

## DESIGNING WITH INSIDE STORIES

Do you aspire to have your own interior design business, but don't want to endure all of the risks and time associated with it? Perfect. Inside Stories may be for you. An Interior Designer at Inside Stories is a creative visionary and is both a dreamer and a doer. When you are a part of our team, you will run your own projects and foster your own client relationships including closing the contracts, while receiving strong support and infrastructure – including receiving client leads, back-office software and support, training and mentoring, advice, access to an extensive library, as well as ordering solutions.
